The Chief Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to state that the work of the Medical Officer, in charge of the Princess Krishnajammanni Sanatorium, Mysore is on the increase and after the completion of the new wards which are being constructed, the number of beds will be increased by 30. As it is, with the present accommodation there is a rush of patients, After the new wards are completed, the number of patients seeking admission will be large and the number of patients to be treated in the Hospital will practically double itself. Besides, the Medical Officer is required to visit the Tuberculosis dispensary two days in the week as per Government Order No. H. 1880-1 Med 49-29-4 dated 8th August 1929. Further, in view of the fact that the Hospital is situated in out of the way place, far away from the town, no private practice is possible. Under the circumstances, I recommend that the charge allowance of Rs.50 now granted to the Medical Officer may be raised to Rs.100 per mensem.

The additional cost during the current year may be kindly sanctioned as an additional grant.

I have the honour to be,
Sir,
Your most obedient servant,

S. Subba Rao

Senior Surgeon.
